S-Video Gold Cable (MD4 M/M), 12-ft.

MODEL NUMBER: **A012-012**

Highlights

- Constructed of high quality , 99.99% pure solid copper conductors
- True 75 ohm impedance for maximum bandwidth
- Double-shielded construction provides superior protection against EMI/RFI
- Excellent noise isolation with 100% aluminum mylar foil/braid shielding

System Requirements

- Home theater equipment with S-Video connectors

Package Includes

- 12 ft. S-Video Gold Cable

Description

Tripp Lite's Premium S-Video Gold Cable offers superior video quality, resulting in brighter, more saturated colors, and sharper images. S-Video separates brightness from color, using two separate coaxial conductors to create clean, accurate signals.

Features

- Superb video clarity resulting in brighter colors and sharper images
- Premium grade, 99.99% pure copper conductors
- 24KT Gold precision machined connector provides solid contact and resistance to corrosion
- Double shielding ensures maximum protection against electromagnetic and radio frequency interference

Specifications
