High power/currents can be safely switched with the PLUGSERIES. The modular system enables conventional relays and LED indicators simply to be plugged in. Retaining and disassembly clips provide a secure mount. Pre-assembled relays with 1 or 2 changeover contacts and input voltages from 24V to 230V round of the product range. Plug-in ZQV 2.5 cross-connectors enable relay multiplexers to be set up quickly thanks to simple side-by-side mounting.

General ordering data

Order No.	1784280000
Part designation	ZQV 2.5N 1/4-2 RT
Version	PLUGSERIES, Relays, No. of contacts: Rated control voltage:
GTIN (EAN)	4032248214686
Qty.	60 pc(s).
